**Subject:** EPA's Fall 2016 Agenda and Plan available

Today the electronic version of the fall agenda and plan were released at [reginfo.gov](http://reginfo.gov). A subset of these actions will appear in identical form in the subsequent publication of the Reg Plan and Reg Flex Agenda in the **Federal Register**.

Attached is the list of EPA's entries. Also, I've attached last year's instructions for viewing the online version of the agenda; this search query has not changed in any way since last year. Note that to find all of EPA's Regulatory Plan entries, you must query both the "Active" and "Long Term" categories.
